

## Parking Information

As in any city, parking can be a problem. We can usually provide large events with 3 parking spots. We strongly suggest that you reserve parking at one of the nearby lots. Guests appreciate knowing where to park & how much it will cost.

Rates will depend on other activities going on in Berkeley on the day of your event. It helps if you ask the lot to put up a sign with your name (i.e. Smith – Adams wedding) instead of a “Lot Full” sign.
